ARRA Priorities Sessions Outcomes**

#	Question	Item	Sub-Item	Dots
1	What are the core values of the Collaborative?	Maintain core values		4
1	What are the core values of the Collaborative?	Transparency		4
1	What are the core values of the Collaborative?	Transparency	PCTV	2
1	What are the core values of the Collaborative?	Inclusion		6
1	What are the core values of the Collaborative?	Comprehensive environmental goals		6
1	What are the core values of the Collaborative?	Neighborhood based		5
1	What are the core values of the Collaborative?	BIG ideas		4
1	What are the core values of the Collaborative?	Accountability		4
1	What are the core values of the Collaborative?	Social service collaboration		4
1	What are the core values of the Collaborative?	Make the economic case		4
1	What are the core values of the Collaborative?	Lasting benefit		4
1	What are the core values of the Collaborative?	Living wages		3
1	What are the core values of the Collaborative?	Role clarity		3
1	What are the core values of the Collaborative?	Commit to balance shovel-ready with equity		4
1	What are the core values of the Collaborative?	Historic preservation		3
1	What are the core values of the Collaborative?	Don't re-invent the wheel		2
1	What are the core values of the Collaborative?	Public participation		2
1	What are the core values of the Collaborative?	Stay focused		2
1	What are the core values of the Collaborative?	Public benefit		2
1	What are the core values of the Collaborative?	Municipalities strategy		2
1	What are the core values of the Collaborative?	Build trust		2
1	What are the core values of the Collaborative?	Integrity in partnering		1
1	What are the core values of the Collaborative?	Strive for competitive innovation		1
1	What are the core values of the Collaborative?	Economic incentives		1
1	What are the core values of the Collaborative?	Educate on our core values		1
2	How do we expand participation?	Go to other houses	Hill District Planning Forum	2
2	How do we expand participation?	Go to other houses	Find the Rivers	1
2	How do we expand participation?	Go to other houses	House of Labor (Blue-Green Partners)	1
2	How do we expand participation?	Collaborative, not compete		4
2	How do we expand participation?	Neighborhood based		2
2	How do we expand participation?	Faith based		1
2	How do we expand participation?	What's all happening?		1
3	What are our next steps?	Find info on geographic ARRA focus in Kansas		3
3	What are our next steps?	Plan for supplemental and pre-training for jobs		2
3	What are our next steps?	B-PEP / REMP equity summit		2
3	What are our next steps?	Build links to rural / green initiatives		2
3	What are our next steps?	Next meeting of Green Innovators		1
3	What are our next steps?	Identify the benchmark labor leaders		1
3	What are our next steps?	Build our own matrix like Green For All		2
3	What are our next steps?	Don't forget to recycle		1
3	What are our next steps?	Follow up ARRA ASAP		1
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Develop regional local food infrastructure		8
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Community education		5
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	LEED building requirements		3
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Develop energy efficiency co-ops		3
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Alternative Fuels infrastructure	Hydro fueling stations	1
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Alternative Fuels infrastructure	CNG funding is available	1
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Better locally-applied research		2
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Recapture / Re-Use energy		2
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Demonstration in off-the-grid technology		1
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Alternative Fuels	Biomass production	1
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Capacity to train workers in green sector		1
4	ARRA DoE Priorities – Reduce Fossil Fuel Emissions	Make it cost prohibitive to burn fossil fuels		1
5	ARRA DoE Priorities – Reduce Energy Use of Entities	More minority contracts in labor		7
5	ARRA DoE Priorities – Reduce Energy Use of Entities	More minority contracts in labor	Monitor & consequences	1
5	ARRA DoE Priorities – Reduce Energy Use of Entities	Jobs for minorities in these projects		6
5	ARRA DoE Priorities – Reduce Energy Use of Entities	Social service ladder-to-work		1
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Engage the disenfranchised		8

**Green Innovators / REMP / PSU  
ARRA Priorities Sessions Outcomes**

#	Question	Item	Sub-Item	Dots
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Create a career ladder		4
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Improve mass transportation		4
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Job training		4
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Infrastructure for local building materials		3
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Green entrepreneurs		3
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Weatherization and jobs		3
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Weatherization and jobs	Action Housing	1
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	What is being built?	Focus on reuse of existing buildings & materials	2
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	What is being built?	Focus on URA & City plans	1
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Storm and sewer infrastructure		3
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Leverage City of Pittsburgh programs		2
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Leverage County programs		2
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Basic community green training		2
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Street Trees / Urban Forest		2
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Incentives for Conservation		1
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Expand/publicize current efficiency programs		1
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Greenprint community training & process		1
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Model state zoning		1
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Building trades education		1
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Promote certification		1
6	ARRA DoE Priorities – Improve Energy Efficiency in Building Trades, Transportation and Other Sectors	Get word out on retrofitting funding		1
